The gentleman from Botsford came to see Mr. Lavell's invitation to visit Steeplechase and take in the sights, and although no date was set the Berkshire Valley guest dropped in on Pleasant Street yesterday morning. The latter had made other arrangements for the day but being a man of his word he issued some counter orders which while they greatly inconvenienced his family, proved a source of unalloyed pleasure to Mr. Botsford. Bill and Henry journeyed to Steeplechase where they proceeded to hit the trail and do the sights. The brand of peanuts Henry said, was the best ever. Mr. Lavell is needless to say that Bill greatly enjoyed the outing; in fact, he has invited Henry to drop down again almost any old day that he has to spare.

A reunion of the Neff family took place at the residence of Mr. and Mrs. John H. Neff, 135 Main street, yesterday. Among the many members of the widely scattered family in attendance were John L. Neff, the vaudeville actor with his bride, who came from their home in Boston.

tolerate roaches and water-bugs in the kitchen, in vain belief that the rest of the family will not find it out. Perhaps they will not, but suppose that some day you would serve a roach in the pie; perhaps then you would wish that you had spent 20c for a box of Cyrus Roach Powder.

members of the committee are: President, P. H. Brady, George J. Jameson, John H. Neff, James L. Kelly, William Callon, Dr. D. H. Monahan, Thomas W. Reddy, John H. Spittler, Walter Lord, James J. Welch, Ernest Freyer, and Daniel J. O'Connor.

Steiber, a well known vocalist, who while they greatly inconvenienced his family, proved a source of unalloyed pleasure to Mr. Botsford. Bill and Henry journeyed to Steeplechase where they proceeded to hit the trail and do the sights. The brand of peanuts Henry said, was the best ever. Mr. Lavell is needless to say that Bill greatly enjoyed the outing; in fact, he has invited Henry to drop down again almost any old day that he has to spare.

Mr. and Mrs. P. H. Hough, who for a number of years have resided on Fairfield avenue, have left to-day for Spokane, Wash. They will later visit the Seattle Exposition.

Mr. and Mrs. T. H. Dillon and family, of Rocky Hill, Conn., are the guests of Mrs. M. Clarke and daughter of Golden Hill street.

Motor Boat Spanker

Stuck in Harbor Mud

Up to This Moment Federal

Inspector Found All

Little Craft Properly

Equipped and Moving.

(Special from United Press.)

New Haven, Aug. 9.—To be hard aground on a mud flat in New Haven harbor was the ignominious fate of the Try-on, yesterday, the government inspection boat, which is to do service here and later in Bridgeport against motor boats not equipped with full Federal regalia, pass words, and signals of distress and alarm. To make matters worse along came Capt. Edward P. Thomas, who turned his search light full on to the saucy Try-on. It was an interesting moment for Capt. Thomas, whose own boat had been turned down by the Federal authorities in favor of the Try-on. Inspector McGovern finally got the boat afloat. He says that he has been inspecting since Thursday, and last each boat inspected had a bell, a whistle, a horn, a red light, a green light, white lights and the other cargo demanded by a paternal government.

Jumped Sixty Feet

Then Smoked Up

(Special from United Press.)

Holyoke, Mass., Aug. 9.—Jumping more than sixty feet from the top of a mill here, Patrick Kilkelly amazed those who went to pick up his dead body with "Boys give me a cigar, etc." Kilkelly's hip was broken and he suffered internal injuries, but at the Providence hospital here to-day it is said he will recover.

Kilkelly was a volunteer in the Spanish war and was said to be the only one to gain flesh during the campaign.

## AUTO TRAGEDIES CAUSE WIFE TO SEEK A DIVORCE

Mrs. Grace E. Tyson of New York city and Riverside, Conn., has sued her wealthy husband, John H. Tyson, for divorce and alimony in the Connecticut courts. She is a daughter of the wealthy Dr. A. R. Starr of New York, and her marriage to Tyson, who is heir to millions, was a social event of importance a year ago. Tyson has been arrested many times for speeding automobiles and is now under indictment for manslaughter following an automobile accident. He was also concerned in the automobile tragedy two years ago when Mr. and Mrs. Paul McCormac were killed. While Tyson and the McCormacs were racing the McCormac machine struck a tree, and husband and wife were thrown out.

## ISLAND BROOKS BEAT WESTERNS 2,500 PRESENT

Before one of the largest crowds that ever saw a contest at Hilt's lot in the North End the Island Brooks, yesterday, defeated the Westerns 11-9. The Island Brooks has not been defeated since, making it out of condition in places, though a good fielding game was put up considering this difficulty. A home run by Leopold of the Island Brooks was the feature. The Island Brooks pitcher weakened toward the end, when the Westerns had a batting rally of their own. Jackson, the other Island Brooks pitcher, was all warmed up, should the Westerns show any unexpected strength. The score:

## Still Searching for Missing Steamship

Cape Town, Aug. 9.—Under the belief that some of the passengers and crew of the steamship Waratah, now thought to have been sunk on her trip from Durban, might have escaped to the coast, where they are either starving or in danger from natives, orders were issued to-day for the searching of the Southeastern African coast for a distance of 600 miles. There were more than 200 women and children on the Waratah when she sailed from Cape Town two weeks ago and it is thought they may be undergoing considerable suffering. Waratah should have reached Cape Town 12 days ago, but no trace has been heard of her since she sailed. She sailed and there is little doubt that the steamer is at the bottom of the sea.

## MOTHER PLEADS FOR DAUGHTER

Judge Wilder Has Record of Elizabeth Smith, Who Would Kill Herself, Investigated.

After disembarking from the afternoon boat out of New York on Saturday and meeting her mother, Mrs. Elizabeth Smith, aged 27, took a sudden desire to put an end to the sorrows of this world by plunging into the harbor. The water was calm and the event at the local dock, Gustavus Couvelos, an Italian, proved that he was capable of playing the game. He seized the young woman even before she had a chance to gaze upon the murky waters.

This morning with tears in her eyes Mrs. Catherine McGrath, mother of Elizabeth, begged Judge Wilder not to send her daughter to the jail, but to commit her to some home where she was continued until to-morrow, and Miss King, the probation officer, was directed to make an examination of the life of Elizabeth and report to-morrow.

The accused was held under a bond of \$25, as she is held only on a charge of breach of peace, no cognizance being taken of her attempt to end her life. Judge Wilder, even if willing to send the woman to the House of the Good Shepherd in Hartford, could not legally commit her as married women and girls over sixteen cannot be received by that institution.

Manufacturer Fined For Auto Speeding

President of Siemon Hard Rubber Co., Pays Fine of \$5 and Costs.

He was arrested last night by Sgt. Hazel who said Mr. Siemon had travelled an eighth of a mile at the rate of 39 miles an hour. Mr. Siemon had no speedometer. He declined to make any statement in court to-day. He was fined \$5 and costs.

Two other automobilists were arrested last night for speeding, and put on bonds of \$25 each for their appearance in court to-day, but both failed to appear and their bonds were called.
